# TARIQ KARIAPPER

COMPUTER SCIENCE STUDENT

TARIAPPER@OUTLOOK.COM

TARIAPPER.GITHUB.IO

## SKILLS

Teamwork
Creativity
Adaptability
Communication
Detail-oriented

## SOFTWARE

MS Office ●●●●●
Autodesk Inventor ●●●●○
Adobe Illustrator ●●●●○
Blender 3D ●●●●○

## LANGUAGES

Java ●●●●○
JavaScript ●●●○○
Python ●●○○○

## INTERESTS

badminton    cooking

## ABOUT ME

Hardworking and inquisitive student interested in the field of computer science. I enjoy learning new things and have a diverse set of skills in many fields.
Seeking an internship in software engineering for the Summer of 2020.

## EDUCATION

### WILLIAMSVILLE NORTH / SEPT 2015 - JUNE 2019

High School Regents Diploma with Advance Designation with Honors
GPA: 4.0

### UNIVERSITY AT BUFFALO / AUG 2019 - MAY 2023

Computer Science, B.S. with a minor in Business

## PROJECTS

### ULTIMATE TIC TAC TOE / MAY 2017 - JUNE 2017

Code available at *github.com/tariapper/ult*
AP Computer Science Project
Worked in a team of 3 and built a variation of tic-tac-toe using Java. Used Trello to coordinate/plan and Github to collaborate and track changes.

### PERSONAL WEBSITE / STARTED SEPT 2019

Ongoing
Creating a website using HTML/CSS to showcase my resume and projects

## CLUBS

### UB NANOSATELITE LAB / STARTED SEPT 2019

Working on the flight software team for UB Nano-satellite. The FSW team is developing software that will control the satelite's operations in space.

### UB ROBOTICS / STARTED SEPT 2019

Building a robot that performs tasks both autonomously and through user control to compete in the VEX-U Robotics Competition.

## ACHIEVEMENTS

UB Honors College
AP Scholar with Distinction Award
High School Honor Roll
SAT Score: 1500
Multiple top placements in Science Olympiad events
Multiple top placements in Technology Student Association events
